How to file your return. When filing your quarterly rental vehicle sales and use tax return, we encourage you to file and pay electronically through Taxpayer Access Point (TAP). Electronic payment and filing is simple, secure, and convenient. To register for electronic filing, go to <https://tap.dor.mt.gov>. You will need your business account number and zip code. Once you are registered, you will be able to file, pay and view your past returns and transactions.

If you choose not to file electronically, complete Form RVT using blue or black ink. Print your numbers in the blocks provided. Do not include a dollar sign in the amounts you enter.

When and where to file. Your rental vehicle sales and use tax return and payment is due to us on or before the last day of the month following the end of each quarter. The due dates are April 30, July 31, October 31, and January 31.

If you choose not to file and pay electronically, mail your original return and payment to Montana Department of Revenue, PO Box 5835, Helena, MT 59604-5835.

Penalty and Interest. If your return is not filed by the due date, a late file penalty will be assessed. The penalty is \$50 or the amount of tax due, whichever is less. In addition, a late payment penalty of 1.5% a month, maximum 15%, will be assessed on your unpaid tax. Interest accrues at 1% per month on the outstanding tax until it is paid.

Specific Instructions

Lines 1, 2, and 3. Please provide your FEIN or SSN, Account ID and Period ending date.

Line 5. If your mailing address has changed, place an "X" in the box and print your new address in the space provided.

Line 6. If you sold your business, changed your entity type, or closed your business, enter the date this change occurred. Line 7. Enter on line 7 your gross sales from rental vehicles for the three month period. Include in this amount all revenue, taxable and nontaxable. Gross sales includes charges for the use of the vehicle, mileage, personal accidental insurance fees, additional
