Form DER-1 General Information

What is a disregarded entity?

A disregarded entity is a business entity that is disregarded as a separate entity from its business owner for federal tax purposes. If an entity is disregarded as a separate entity for federal income tax purposes, it is also disregarded as a separate entity for Montana income tax purposes.

Examples of disregarded entities include a domestic single member limited liability company (SMLLC) that does not elect to be classified as a corporation for federal tax purposes, a corporation that is a qualified REIT subsidiary, and a corporation that is a qualified subchapter S subsidiary.

Who is required to file Form DER-1?

Single member limited liability company: A single member limited liability company (SMLLC) treated as a disregarded entity, whether formed in Montana or in another state or country, is required to file Form DER-1, Montana Disregarded Entity Information Return, each year the entity is engaged in business in Montana or has Montana source income.

Exception: Form DER-1 is not required to be filed if the disregarded entity is a single member limited liability company whose sole member is an individual, estate or trust who has been a full-time Montana resident during the applicable reporting period.

IRC § 761 electing partnership: Form DER-1 is required to be filed on or before 90 days after the date a partnership elects under section 761 of the Internal Revenue Code, to be excluded from the application of all or part of subchapter K of chapter 1 of the Internal Revenue Code. A section 761 electing partnership also has to file another Form DER-1 within 90 days after: (1) its 761 election is changed or revoked for federal tax purposes; (2) any capital or profit interest of any partner, member, or other owner is transferred, liquidated, or redeemed; (3) it is dissolved, liquidated, merged, or consolidated with another entity; (4) it sells substantially all its assets; or (5) it files an application for a certificate of withdrawal with the Montana Secretary of State. A section 761 electing partnership is required to file Form DER-1, Montana Disregarded Entity Information Return, each year the entity is engaged in business in Montana or has Montana source income.

Qualified subchapter S subsidiary as defined in IRC § 1361(b)(3): Any corporation described in IRC § 1361(b)(3) whose parent elects to have the subsidiary be treated as a qualified subchapter S subsidiary and that has Montana source income or is engaged in business in Montana, must file Form DER-1 on or before 90 days after the election is made. Another Form DER-1 must also be filed within 90 days after the date: (1) its qualified subchapter S subsidiary status is changed or revoked for federal tax purposes; (2) its stock is transferred or redeemed; (3) it is dissolved, liquidated, merged, or consolidated with another entity; (4) it sells substantially all its assets; or (5) it files an application for a certificate of withdrawal with the Montana Secretary of State. A qualified subchapter S subsidiary is required to file Form DER-1, Montana Disregarded Entity Information Return, each year the

entity is engaged in business in Montana or has Montana source income.

Qualified real estate investment trust subsidiary as defined in IRC § 856(i)(2) (REIT): Any corporation defined as a qualified REIT subsidiary in IRC § 856(i)(2) that has Montana source income and has assets, liabilities, and items of income, deductions, and credits that are included in the federal income tax return of its parent REIT, must file Form DER-1 on or before the due date of its parent REIT's information return.

Real estate mortgage investment conduit as defined in IRC § 860D (REMIC): Every unincorporated Real Estate Mortgage Investment Conduit (REMIC) described in IRC § 860D, that has Montana source income, must file a copy of its federal Form 1066 (Real Estate Mortgage Investment Conduit Income Tax Return) on or before the federal due date (including extensions). Generally, REMICs must file the Form 1066 by April 15th. However, if the entity is filing its final return, Form 1066 is due by the 15th day of the 4th month following the date the REMIC ceased to exist.

What is Montana Source Income?

In general, Montana source income is the separately and non-separately stated income, gain, loss, deduction or credit, or items of income, gain, loss, deduction or credit that you have derived from a trade, business, occupation or profession carried on in Montana or that was derived from the sale or other transfer, or the rental, lease, or other commercial exploitation of property located in Montana.

Extension of Time to File

The disregarded entity can obtain an automatic extension of time to file its information return if its owner has a valid extension of time. The extended due date is the same as the owner's federal extended due date. The disregarded entity is allowed an automatic extension to file its information return of up to six months if the owner is not required to file a federal information return.

What forms have to be filed?

Additional filing requirements are listed below for a disregarded entity that has a nonresident individual, nonresident estate, nonresident trust, foreign C corporation or a partnership, S corporation or disregarded entity as its owner during the year. These filing requirements are:

- Schedule I (Montana Disregarded Entity Owner Information) identifies the owner or owners of the disregarded entity. If one of the owners is a nonresident individual, nonresident estate, nonresident trust, foreign C corporation, or second tier pass-through entity, the entity may be required to pay tax to the Montana Department of Revenue on behalf of the owner as provided in Montana Code Annotated, 15-30-3313.
- Form PT-AGR (Montana Pass-Through Entity Owner Tax Agreement) is completed by the nonresident individual, nonresident estate, nonresident trust or foreign C corporation that agrees to timely file a Montana tax return, pay all taxes and be subject to the personal jurisdiction of Montana. A new Form PT-AGR is not required to be filed each year. The Form PT-AGR must be filed by the due date of the disregarded entity's return. The Form PT-AGR is filed separately; it is not attached to the Form DER-1. A disregarded entity needs to retain the agreements as part of its tax records.

- Form PT-STM (Montana Second Tier Pass-Through Entity Owner Statement) is filed by either the first-tier pass-through entity or the second-tier pass-through entity. This form identifies the owners of the second-tier pass-through entity and additional tiers if applicable and establishes that the second-tier pass-through entity's distributive share of Montana source income will be fully accounted for in Montana individual or corporation tax returns. We require Form PT-STM to be filed each year that the disregarded entity has an owner that is a pass-through entity unless the disregarded entity had previously obtained a multiple year waiver. The Form PT-STM must be submitted 45 days before the original due date of the disregarded entity's return.

The entity is unable to obtain a signed Form PT-AGR or Form PT-STM from the owner of the disregarded entity. What does it have to do?

If the entity is unable to obtain a signed Form PT-AGR or Form PT-STM, the entity is required to remit an amount based on the owner's share of Montana source income reported on Schedule I, Column D.

If the owner is a foreign C corporation, multiply the foreign C corporation's Montana source income by 6.75% to determine the amount of the remittance.

If the owner is a nonresident individual, nonresident estate, nonresident trust, or a second-tier pass-through entity, multiply the owner's Montana source income by 6.9% to determine the amount of the remittance.

What happens if the disregarded entity is late in filing Form DER-1?

The entity is charged a late filing penalty if Form DER-1 is filed after the due date, including the automatic extension, unless the entity can show reasonable cause for not filing on time. For a disregarded entity that does not have a tax year, the penalty is based on the number of owners on December 31 of the preceding year. This penalty is calculated for up to five months.

Form DER-1 Instructions

Heading

Name and Address. Enter the entity's true name (as set forth in the charter or other legal document creating it) and mailing address.

FEIN or SSN. Enter the FEIN (Federal Employer Identification Number) or SSN (Social Security Number) of the disregarded entity. If the FEIN or SSN is the same as the owner's FEIN or SSN reported on Schedule I, mark the box.

Lines 1 through 5 – Complete lines 1 through 5 as they relate to the disregarded entity and not the owner of the disregarded entity.

Lines 2 and 3 – Complete either line 2 or 3. If the disregarded entity was incorporated or formed in Montana (a domestic entity) complete line 2. If the disregarded entity was incorporated or formed in a jurisdiction other than Montana (a foreign entity) complete line 3.

Line 4 – Enter the letter and number of the organizational ID assigned by the Montana Secretary of State.

Line 6 – Disregarded Entity Type. First determine if the disregarded entity is a single member limited liability company (mark box 6A) OR another entity type (mark box 6B).

6A. Single Member Limited Liability Company (SMLLC). If you marked the box indicating the disregarded entity is a SMLLC, the next step is to mark the appropriate box corresponding with the type of owner listed. For example, if the owner of the SMLLC is an S corporation, line 6A would show one mark in box A and another mark in the S corporation box.

6B. Entity Type Other than SMLLC. If you marked the box indicating an entity type other than SMLLC, please see the instructions for "Who is required to file Form DER-1?" to determine when the Form DER-1 is required to be filed. These particular entity types are not required to file the form unless certain events occur in order to "trigger" a filing requirement.

If you marked the box indicating that you are an IRC § 761 partnership or an IRC § 1361(b)(3) qualified subchapter S subsidiary, enter the date of your federal election.

Line 7 – Withholding. Enter the total from Schedule I, column E or F. This is the total amount withheld on behalf of the nonresident owner(s), foreign C corporations, and second-tier pass-through entity owners. The owner(s) will claim this amount on their own Montana tax returns.

Line 8 – Late Filing Penalty. A late filing penalty is charged if Form DER-1 is filed after the due date, including the automatic extension. The penalty is \$10 multiplied by the number of months or fractions of a month that the entity does not file the disregarded entity information return. This penalty is calculated for up to five months. For example, if a disregarded entity files the Form DER-1 six months after its due date, the late file penalty would be \$50 (\$10 x 5 months).

Please Note: A late filing penalty is not imposed on an entity that has ten or fewer owners each of whom is an individual, an estate of a deceased individual, or a C corporation and if the owners have filed the required tax returns or other required reports timely and have paid all taxes when due.

Line 9 – Late Payment Penalty. If the entity hasn't paid the tax liability (line 7) by the due date of the return, it will have to pay a late payment penalty. This penalty is 1.2% per month or fraction of a month on the tax liability that was not paid by the original due date. This penalty cannot exceed 12% of the tax liability on line 7.

Line 10 – Interest. Compute interest on any tax liability (line 7) that has not been paid by the due date of the tax return and enter the total on this line.

If 100% of the tax liability is not paid by the original due date, interest is due at a rate of 8% per year, computed daily on the unpaid balance.

To calculate the interest, multiply line 7 by 0.02192% (0.0002192) times the number of days after the unextended due date.

Line 11 – Total Tax, Penalties and Interest. Add lines 7 through 10; enter the result on this line.

Pay the amount due to the Montana Department of Revenue and include the FEIN or SSN and "FORM DER-1" in the memo section of the payment. Please submit a voucher with your payment to ensure proper credit to your tax account. A voucher is available at revenue.mt.gov. Send your payment and Form DER-1 to:

Montana Department of Revenue
PO Box 8021
Helena, MT 59604-8021
