

Film Production Credit Residency Declaration

What is the purpose of this form?

A film production company claiming the employment production credit based on wages or salaries paid to Montana residents for work performed on a film produced in Montana is required to have each employee complete a residency declaration form. This form is not required to be submitted to the Department of Revenue, but is required to be retained by the production company as a tax record and provided to the Department of Revenue upon request.

1. Are you presently a resident of Montana? See *Residency* below. Yes No
2. Do you anticipate changing your residency status during the time you are expected to work on the film project? Yes No
3. What evidence have you provided the film production company to show residency in Montana?
 - A valid Montana driver's license.
Enter your driver's license number here. _____
 - A current Montana voter registration card.
Enter the registering county name here. _____
 - A copy of last year's Montana individual income tax return.
 - Other: If you cannot provide one of the previous three forms, other evidence may be acceptable. For example, a minor may present his or her parent's proof of residency. Other evidence is to be clear and convincing, and show intent to maintain a permanent residence in Montana. Proof of ownership of property or establishing an abode in Montana is not acceptable unless it is supplemented by other information showing intent.
Please specify: _____

Residency. To be a resident of Montana for tax purposes, you are required to be domiciled in Montana. Your domicile is your permanent home; it is the place to which you intend to return after any temporary absence. You can have only one domicile. A change in domicile is established only by establishing a physical presence in a new location with intent to abandon your old domicile and make a home in the new location permanently or indefinitely.

By signing and dating this form, the undersigned is attesting that the information contained in this declaration is true and correct.
