If you elect to itemize your deductions when you file your Montana individual income tax return, you may claim a deduction for donations made to:

- the State Veterans' Service Account and/or
- the State Veterans' Cemetery Program.

Married taxpayers who make joint contributions can deduct these contributions from the net income of either spouse or may allocate them between spouses. Contributions may be made at any time during the year but are required to be deducted in the tax year that the contribution was made. For example, if you made your contribution on December 31, 2010, you may deduct it on your 2010 Montana income tax return if you elect to itemize your deductions. If you made your contribution on or after January 1, 2011, the donation should be included with your itemized deductions reported on your 2011 Montana income tax return.

You may make your contribution by completing the following information and attaching a check or other payment to this form. Make your payment payable to the Montana Department of Revenue and write "VT Contribution" on the memo line. Please send this form, and the attached payment, to the following address:
