Section 4 – Floater Application Requirements

“Floater” means an “all-beverages license that may be transferred to a new location outside the quota area for which it was originally issued.” This type of license cannot be mortgaged or sold for five years after the transfer. A floater license issued as the result of a lottery will have a gaming restriction.

Has the applicant applied for a “Floater” All-Beverages lottery within the previous 12 months?

- Yes No (If yes, you do not qualify for entry in this lottery.)

Does the applicant have ownership interest in an All-Beverages license?

- Yes No (If yes, you do not qualify for entry in this lottery.)

All applicants must submit an irrevocable letter of credit from a financial institution guaranteeing the applicant a \$100,000 line of credit. The letter must state that the financial institution will not withdraw the line of credit or cancel the letter for a one-year period from the date of the lottery drawing. Acceptable letter content includes the following:

This irrevocable letter of credit is to confirm that [bank] has approved [lottery applicant] for a \$100,000 line of credit for the purchase of a liquor license should they be the successful winner of the all-beverage floater license lottery. [Bank] guarantees that it will not withdraw this line of credit or cancel this letter. [Bank’s] commitment under the line of credit will expire on [one year from date of lottery drawing].

The department will not accept letters stating that the applicant is eligible to receive a bank loan that do not include a guarantee that the bank will not withdraw the line of credit or cancel the letter, nor will it accept letters stating that the applicant has the ability to pay \$100,000 without a guaranteed line of credit. Any application without an acceptable irrevocable letter of credit will be disqualified from the lottery.

I further understand that information concerning ownership on this application must be consistent with the license application and supporting documents or I will be disqualified. For example, if you complete this application as an “individual,” and are the successful applicant, your subsequent license application must also be as an “individual.”

I declare under penalty of false swearing that I am the applicant or the duly authorized representative of the entity making this application, and that the responses provided, including any accompanying information, are true, correct and complete.
