Park County Department of Revenue assessor's office moving

Helena – The Department of Revenue would like to announce that on Thursday, August 1, the Park County Property Assessment Division (PAD) office will be relocating from their current location at the City-County Complex to 1201 U.S. Highway West, Unit D2, also known as Del Mar Point Complex.

“We appreciated having our office in the City-County Complex and we will miss them. But we just need more room, improved parking and accessibility to better serve the public,” said Mike Kadas, Department of Revenue Director.

PAD is responsible for ensuring that all classes of property in the state are valued uniformly and equally throughout the state, while assisting citizens with any questions they may have regarding their property. This new space will also ensure privacy for county residents when discussing their appraisals, income tax audits and property valuations.

The new phone number at Del Mar Point Complex will be 406-222-4919.

The hours of operation will be Monday through Friday, 8 a.m. to 5 p.m.
