Legal Description of Property _____

In order to check your qualifications for the tax exemption, we might conduct an onsite review of the real property associated with the manufacture of ammunition components. We could require that you give us proof of records. This application may be subject to future audit.

Please answer the following questions.

1. Is your primary business the manufacturing of ammunition components? (Primary business is defined as: "a manufacturer in which more than one-half of its product produced is and more than one-half of its gross income comes from sales of ammunition components. Ammunition components means propellants, primers and cartridge cases.")
 Yes No
2. Are the ammunition components you manufacture made available to commercial and individual consumers in Montana?
 Yes No
3. Do you sell your manufactured ammunition components to in-state commercial and individual consumers for a price no greater than that for out-of-state purchases, including any products that leave the state regardless of destination or purchaser?
 Yes No
4. Does or will your business enter into any agreements or contracts that could actually or potentially command or commit all of its production to out-of-state consumers or interfere with or prohibit sale and provision of products to in-state consumers?
 Yes No
