- ▶ Be sure to include the tax year you expect to remove the property from your assessment roll, if granted. Use the earliest year for which eligibility would exist without having to change a finalized roll. A finalized roll can be changed only if it is demonstrated that some DOR action or inaction has resulted in unfair penalty to the applicant.
- ▶ If you have other information or comments, be sure they are included at this time.
- ▶ Please estimate a value of the property on the exemption request.
- ▶ Be sure to stamp the date the application was received on the application itself. You may also date stamp the supporting documents, but the application itself must be date stamped.
