

2017 Livestock Reporting Form

Montana law requires all livestock owners to report the number of livestock owned as of February 1.

What do I need to do?

By March 1, report the number of livestock you owned as of February 1.

By May 31, pay your livestock per capita fees.

What kind of livestock do I need to report?

See the list of livestock types in the reporting table provided.

Even if you owned just one horse and a few chickens, you still need to report. If you reported last year, but no longer own livestock, you still need to submit a reporting form to let us know that your livestock count is zero.

How do I report and pay?

There are two ways to report livestock. The reporting form is due March 1, 2017, with or without payment. If you do not pay with your reporting form, you will be billed in May. Payment is due May 31.

Online at reportyourlivestock.mt.gov

OR

Mail completed reporting form and payment to:

- Login to ePass.
- Report your livestock.
- Option to pay by e-check or credit card (additional processing fees).

Montana Department of Revenue
PO Box 6169
Helena, MT 59604-6169

Make check payable to Montana Department of Revenue.

What are livestock per capita fees used for?

Per capita fees fund Department of Livestock programs that monitor animal health, monitor and restrict livestock imports, track animal movements, prevent and investigate livestock theft and manage predators.

Note: Some counties have a separate fee to fund predatory animal control (PAC) for cattle and sheep at the local government level. The cattle and sheep head counts collected by the Department of Revenue for per capita fees are also used by the local County Treasurer's Office for PAC fee collection on personal property or real property tax bills.
