Backhoe Attachment  
Bale Accumulator  
Bale Feeder (indicate whether square or round tubing)  
Bale Loader  
Bale Stacker  
Bale Wagon  
Baler (indicate motor or PTO)  
Bee Hives, Boards (*report quantity*)  
Beet Defoliator (*report number of rows*)  
Beet Harvester (*report number of rows*)  
Beet Thinner (*report number of rows*)  
Beet Topper (*report number of rows*)  
Blade (rear-mount)  
Buncher  
Cattle Chute  
Chisel Plow (indicate if rigid or flexible)  
Combine  
Combine Header  
Corn Picker  
Cultivator (*report number of rows*)  
Disc  
Ditcher (indicate pull-type or 3 point)  
Dozer Front  
Drill Filler (indicate with or without auger)  
Drill Transporter  
Egg Equipment  
Electric Motor  
Fertilizer Attachment(indicate dry or liquid)  
Forage Blower  
Forage Equipment  
Forage Harvester  
Fuel, Water, Propane Tank (*report number of gallons*)  
Grain Auger (*report length and diameter,* indicate if PTO)  
Grain Drill Hitch (indicate number of units)  
Grain Dryer  
Grinder Mixer (*report number of bushels*)  
Hammermill  
Harrow (drag)  
Hay Rack  
Haybine  
Honey Extraction Equipment  
Hydraulic Farmhand (*report cubic feet*)  
Land Packer  
Leveler / Grain Drill (indicate disc or hoe and with or without fertilizer)

Liquid Fertilizer Tank  
Loader Attachment  
Loose Stacker  
Manure Loader  
Manure Spreader  
Milk Cooling Tank (*report number of gallons*)  
Milking Equipment (*report size*)  
Milking Machine (*report size*)  
Mower (*report length in feet*)  
Mower Conditioner  
Nobel Blade  
Pickup Loader  
Planter  
Plow (indicate if spinner or oneway)  
Portable Corral (*report number of feet*)  
Portable Scale  
Post Driver  
Post Hole Digger (indicate PTO or hydraulic)  
Potato Digger  
Potato Harvester  
Potato Planter  
Rock Picker (indicate prong or reel)  
Rod Weeder (indicate attached or on wheels)  
Rotary Cutter  
Row Crop Planter  
Seed Cleaner  
Self Feeder Wagon  
Side Delivery Rake  
Skid Steer  
Snow Blower (indicate front end or PTO)  
Sprayer (indicate coupe, field, skid or tractor mount; *report number of gallons and boom width*)  
Spring Tooth (indicate attached or on wheels)  
Squeeze Chute  
Stack Feeder  
Stack Mover  
Stationary Engine (*report HP*)  
Stock Watering Tank  
Sub Soiler  
Swather (indicate pull-type or self propelled)  
Tool Bar (*report number of shanks*)  
Tractor  
Trailer (semi- mounted)  
Wagon or Trailer  
Wheel Rake (*report number of wheels*)  
Miscellaneous Farm Equipment
